

Molecular Biology of Archaea: From mechanisms to ecology

03 – 05 September 2018 | Vienna, Austria

ORGANIZERS

Christa Schleper
University of Vienna, AT

Christine Moissl-Eichinger
Medical University of Graz, AT

CO-ORGANIZERS

Melina Kerou
University of Vienna, AT

Simon K.-M.R. Rittmann
University of Vienna, AT

Filipa Sousa
University of Vienna, AT

REGISTRATION

Registration deadline

30 June 2018

Abstract submission deadline

15 May 2018

Student/postdoc 200 EUR

Academic 290 EUR

Industry.....700 EUR

CONFIRMED SPEAKERS

Sophie Abby
Université Grenoble Alpes, FR

Sonja Albers
University of Freiburg, DE

Brett Baker
University of Texas at Austin, US

Nitin Baliga
Institute for Systems Biology, US

Stephen Bell
University of Bloomington, US

Jean-François Brugère
Université Clermont Auvergne,
FR

Simonetta Gribaldo
Institute Pasteur, FR

Yoshizumi Ishino
University of Kyushu, JP

Kira Makarova
NIH/NLM/NCBI, US

Anita Marchfelder
University of Ulm, DE

Christine Moissl-Eichinger
Medical University of Graz, AT

David Prangishvili
Institute Pasteur, FR

Nick Robinson
University of Lancaster, UK

Ruth Schmitz-Streit
University of Kiel, DE

Qunxin She
University of Copenhagen, DK

Filipa Sousa
University of Vienna, AT

Anja Spang
NIOZ, Netherlands Institute for
Sea Research, NL

Tim Urich
University of Greifswald, DE

Finn Werner
University College London, UK

Mark J. Young
Montana State University, US

Malcolm White
University of St Andrews, UK

Patrick Forterre
Institute Pasteur, FR
